

Grants by Grant Cycle

Grants matching your search for **1993-94 Used Oil Recycling Block Grant - First Cycle (UOBG)**

Alameda County

Grantee: City of Berkeley

Amount Awarded: \$69,234.00

Grantee Contact: John Elwell

CalRecycle Grant manager: Carol Mortensen

Project Summary: Staffing of the local certified collection center, oil tank modifications, steel stairs and platform for a 1,000-gallon storage tank, and some of the transportation/disposal costs will be funded through the block grant. A public education campaign will distribute over 20,000 brochures, design point-of-sale displays, and run local advertising for the program.

Grantee: City of Fremont

Amount Awarded: \$120,574.57

Grantee Contact:

CalRecycle Grant manager: Nora Keenan

Project Summary: A public awareness campaign will include articles in the City's quarterly recreation schedule, news releases, and notices mailed to residents. In addition, an oil containment facility with concrete pad and sheet metal canopy will be erected. Safety equipment purchases, supplies, administrative and consultant costs will expend the remainder of funding.

Grantee: City of Hayward

Amount Awarded: \$79,926.00

Grantee Contact: Mr. Jesus Armas

CalRecycle Grant manager: Nora Keenan

Project Summary: Will set up a sub-grant for certified collection center operations and a subsidy for curbside collection at multi-family dwellings. Also, staff will develop brochures, banners, newspaper advertisements, and public service announcements to raise public awareness.

Grantee: City of Oakland

Amount Awarded: \$252,469.53

Grantee Contact:

CalRecycle Grant manager: Nora Keenan

Project Summary: Block Grant will underwrite efforts by three contractors to collect, transport, and dispose of used oil on a weekly basis. 98,000 utility bill inserts, 138,000 direct-mail brochures, 70 newspaper ads, 10 radio spots, and graphic design services for brochures/mailers will be funded as part of the City's public education campaign.

Total Awarded for County: \$522,204.10

Calaveras County

Grantee: Calaveras County

Amount Awarded: \$24,241.80

Grantee Contact: Mr. Greg Norton

CalRecycle Grant manager: Darlene Falconer

Project Summary: Funding will provide six collection tanks to businesses who offer used oil collection services to the public. Advertising for B.O.P events and dissemination of collection site hours & information through newsprint will also be funded.

Total Awarded for County:\$24,241.80

Contra Costa County

Grantee: City of Antioch

Amount Awarded: \$45,936.00

Grantee Contact: Mr. Ron Bendorff

CalRecycle Grant manager: Darlene Falconer

Project Summary: Grant monies will be used for retrofitting collection trucks with used oil tanks and paying for hauling/disposal costs. Used oil brochures, 5,000 info-funnels, costs of storage tank purchase/installation, local media advertisements, and a direct mailing to multi-family dwellings designed to inform the public of the new program.

Grantee: City of Concord

Amount Awarded: \$74,144.28

Grantee Contact: Mr. Edward R. James

CalRecycle Grant manager: Pat McDermott

Project Summary: Public education campaign will consist of wall hangers, quarterly newsprint advertising, garbage bill inserts, and signage. Majority of funding will be used to install and operate a 250 gallon storage tank at a newly established certified center which will accept used oil and used oil filters.

Grantee: City of El Cerrito

Amount Awarded: \$15,477.00

Grantee Contact: Joel Witherell

CalRecycle Grant manager: Pat McDermott

Project Summary: Will construct a building/awning over an existing collection facility and pay for collection and disposal of used oil. 640 oil recycling kits for residents and drum funnels for the collection facility storage area will be purchased with grant funding.

Grantee: City of Pittsburg

Amount Awarded: \$33,264.00

Grantee Contact: Mr. Willis A. Casey

CalRecycle Grant manager: Sally French

Project Summary: A public education campaign consisting of forty shelf displays at local businesses, 40,000 flyers, 1,000 marina used oil brochures, and a storm-drain stenciling project will be partially funded. Other purchases will include filter crushers, as many as four used oil collection tanks, and 5,000 containers for used oil collection.

Grantee: City of San Ramon

Amount Awarded: \$25,674.00

Grantee Contact: Mr. Herb Moniz

CalRecycle Grant manager: Sally French

Project Summary: In cooperation with Valley Waste Management, the city currently operates a curbside used oil collection program and the majority of grant funds will help subsidize this program. Funding will also be used to purchase 6,000 new oil collection containers and to print and mail 15,000 educational flyers distributed via utility bills.

Grantee: City of Walnut Creek

Amount Awarded: \$19,776.88

Grantee Contact: Janet Scheider

CalRecycle Grant manager: Darlene Falconer

Project Summary: Individualized mailings to multi-family dwellings advertising the used oil collection aspect of the city's curbside program will expend almost one-half of grant funds. The remainder of funds have been allocated for personnel costs at the Board-certified used oil collection center.

Grantee: Contra Costa County

Amount Awarded: \$298,405.49

Grantee Contact: Mr. J. Michael Walford

CalRecycle Grant manager: Pat McDermott

Project Summary: A public awareness campaign will consist of 5,000 brochures, 15,000 apartment complex dumpster stickers, garbage bill inserts, and storm-drain stenciling. Also, two workshops for those involved in oil collection, marina education efforts, and soliciting cooperation from 500 companies in the region to implement a recycling program among employees.

Total Awarded for County:\$512,677.65

El Dorado County

Grantee: El Dorado County

Amount Awarded: \$92,961.00

Grantee Contact:

CalRecycle Grant manager: Sally French

Project Summary: Grant funding will be used for the purchase of seven 1,000-gallon storage tanks as part of the development of permanent collection sites in the region. The public will be informed of the used oil collection program through newsprint, radio and television, as well as brochures and posters.

Total Awarded for County:\$92,961.00

Fresno County

Grantee: City of Fresno

Amount Awarded: \$258,400.00

Grantee Contact:

CalRecycle Grant manager: Darlene Falconer

Project Summary: The majority of funding will be devoted to the public education component of the grant. Over 15,000 reusable containers, 105,000 utility bill inserts, radio and television advertisements, and local collection events will be part of that campaign. A leased oil tank and a concrete pad for the tank are to be paid for with grant monies.

Grantee: City of Huron

Amount Awarded: \$3,580.50

Grantee Contact: Lelie Doolittle

CalRecycle Grant manager: Nora Keenan

Project Summary: Will hire one employee for 52 weeks and will use the remainder of funds for used oil transportation and disposal expenses and printing/distribution of flyers.

Grantee: City of Kingsburg

Amount Awarded: \$5,181.00

Grantee Contact: Mr. Don Jensen

CalRecycle Grant manager: Darlene Falconer

Project Summary: Kingsburg will be leasing a 350-gallon used motor oil container and will advertise on a monthly basis their local certified center. In addition, the city will purchase 150 ten quart used oil containers and utilize the local newspaper and message space on utility bills to raise public awareness.

Total Awarded for County:\$267,161.50

Humboldt County

Grantee: City of Arcata

Amount Awarded: \$29,205.00

Grantee Contact: Mr. Dan Hauser

CalRecycle Grant manager: Darlene Falconer

Project Summary: Advertising for 18 months on local radio and in newsprint, a point-of-purchase display, and 25,000 non-point source pollution brochures will require funding. Both cities will undertake a storm drain stenciling program.

Total Awarded for County:\$29,205.00

Los Angeles County

Grantee: City of Agoura Hills

Amount Awarded: \$13,827.00

Grantee Contact:

CalRecycle Grant manager: Pat McDermott

Project Summary: A portion of grant funding is allocated to produce and distribute 4,000 brochures, 10,000 flyers, 10 large posters, and run five quarter-page newspaper advertisements as part of a public awareness campaign. Certified center establishment, equipment purchases, and administrative costs will require the remainder of funding.

Grantee: City of Arcadia

Amount Awarded: \$10,641.02

Grantee Contact: Mr. William Kelly

CalRecycle Grant manager: Darlene Falconer

Project Summary: Will purchase 3,000 six-quart containers for citizens so that they may take their used oil to the local Chief Auto Parts. 10,000 flyers advertising the used oil collection program, press releases, and utility bill inserts will be utilized along with awareness articles and advertisements in the City Newsletter.

Grantee: City of Burbank

Amount Awarded: \$62,892.29

Grantee Contact: Mr. Bruce Feng

CalRecycle Grant manager: Sally French

Project Summary: Funding will make possible the construction of a used oil collection facility. 3,750 used oil containers for residents will be purchased, two quarter-page newsprint advertisements, bi-annual Public Service Announcement's containing used oil collection information and a bi-annual recycling newsletter are part of the City's public education campaign.

Grantee: City of Carson

Amount Awarded: \$43,900.00

Grantee Contact: Mr. Jerome Groomes

CalRecycle Grant manager: Sally French

Project Summary: Funding will be used for a used oil curbside collection program which services 62,000 residents and the publication and postage for two newspaper Citywide mailers.

Grantee: City of Compton

Amount Awarded: \$60,324.00

Grantee Contact: Mr. Howard Caldwell

CalRecycle Grant manager: Debra Kustic

Project Summary: Grant monies will be used to underwrite City staff involved with used oil collection efforts, purchase 3,200 used oil containers for residents, publish 23,240 brochures to raise public awareness, and produce a used oil video.

Grantee: City of Covina

Amount Awarded: \$13,913.54

Grantee Contact: Mr. Francis Delach

CalRecycle Grant manager: Nora Keenan

Project Summary: The City will purchase 1,000 six-quart containers from Chief Auto Parts to distribute to citizens. Direct mailings, newspaper advertisements, underwriting of staff, flyers, and public display advertisements will be part of a public awareness campaign.

Grantee: City of Diamond Bar

Amount Awarded: \$35,836.00

Grantee Contact: Mr. Terrence Belanger

CalRecycle Grant manager: Nora Keenan

Project Summary: 65% of grant funds will be devoted to a campaign of public education and awareness including a brochure, press releases, 3,000 used oil containers, and a hotline to report illegal dumping or receive collection information. 25% of funding will go toward enforcing the provisions of the city ordinance relating to uncontrolled dumping of used oil.

Grantee: City of Gardena

Amount Awarded: \$35,309.14

Grantee Contact: Mr. Mitchell Lansdell

CalRecycle Grant manager: Darlene Falconer

Project Summary: Grant funds will be used for a public education campaign consisting of the design and mailing of 19,139 brochures and the purchase of 2,000 used oil containers for citizens. Also, funding will underwrite the cost of time devoted to the used oil collection campaign by the City's recycling staff.

Grantee: City of Glendale

Amount Awarded: \$120,536.20

Grantee Contact: Mr. Christopher R. Gray

CalRecycle Grant manager: Pat McDermott

Project Summary: 5,000 motor oil recyclers, educational brochures and flyers, and 1,000 used oil containers with used oil logos will raise public awareness. Partial payment of the costs of a forklift, a computer and printer, two steel drum dollies, and safety clothing for collection workers will use grant funds.

Grantee: City of Hawthorne

Amount Awarded: \$46,843.00

Grantee Contact: Mr. Bud Cormier

CalRecycle Grant manager: Debra Kustic

Project Summary: Funding will underwrite one intern who will administer the used oil collection program for 75 weeks. Other purchases include a Halogen Detector, 10 Chlor-D-tect kits, 2,500 six-quart containers, 23,000 flyers, and an advertisement of the collection center location with its hours of operation will be placed weekly in the local newspaper for 19 weeks.

Grantee: City of Inglewood

Amount Awarded: \$20,930.00

Grantee Contact: Mr. Roosevelt F. Dorn

CalRecycle Grant manager: Janet Page

Project Summary: Majority of grant funding would be used to purchase 4,300 six-quart containers for residents, 5,000 used oil pamphlets, 1,000 flyers, local newspaper advertising, and a contingency fund for possible contaminated loads.

Grantee: City of La Canada Flintridge

Amount Awarded: \$6,725.00

Grantee Contact: Mr. Jerry Fulwood

CalRecycle Grant manager: Nora Keenan

Project Summary: Will use entire grant for transportation and disposal of locally collected used oil and to employ an intern at the collection center.

Grantee: City of Lakewood

Amount Awarded: \$42,340.00

Grantee Contact: Mr. Howard Chambers

CalRecycle Grant manager: Sally French

Project Summary: The City plans a public education campaign using 2,400 motor oil recyclers, brochures, press releases, and flyers. Includes funding for personnel to monitor and enforce a municipal code banning improper disposal of used oil.

Grantee: City of Lomita

Amount Awarded: \$12,936.00

Grantee Contact: Mr. Keene N. Wilson

CalRecycle Grant manager: Janet Page

Project Summary: The City will secure a certified center and intends to purchase equipment and materials such as an automatic halogen detector, 30 Chlor-D-Tect kits, collection containers for citizens, and signage. Local media advertising and a bi-annual utility bill insert will raise public awareness.

Grantee: City of Long Beach

Amount Awarded: \$294,657.00

Grantee Contact: Mr. James Kuhl

CalRecycle Grant manager: Debra Kustic

Project Summary: A recycling outreach program expected to reach approximately 90,000 students will be funded. Underwriting of intern costs, costs of collection and processing of used oil, public service announcements on a local cable news broadcast and an Adopt-A-Gutter program will receive grant funding.

Grantee: City of Los Angeles

Amount Awarded: \$2,381,082.00

Grantee Contact: Mr. James Langley

CalRecycle Grant manager: Carol Mortensen

Project Summary: Establishment and operation of about 60 certified centers in cooperation with the UNOCAL Corporation. A public education/promotion campaign with bilingual radio spots, over 60 newspaper advertisements of varying sizes in both Spanish and English, 50,000 used oil containers, 100 bus posters for one year, and 10,000 used oil brochures.

Grantee: City of Lynwood

Amount Awarded: \$41,712.00

Grantee Contact: Mr. Ralph W. Davis

CalRecycle Grant manager: Darlene Falconer

Project Summary: A public education campaign will be undertaken to raise community awareness of used oil recycling within the city. Magnetic used oil logos, cable television and newsprint advertisements, reusable containers, and messages in monthly water bills will be used in the campaign. Staff assistance will also be underwritten by grant funding.

Grantee: City of Paramount

Amount Awarded: \$34,254.00

Grantee Contact: Mr. Patrick West

CalRecycle Grant manager: Debra Kustic

Project Summary: Will use funding to set up a large coupon redemption program whereby citizens would receive a reduced price for an oil change at the city's certified center. Will purchase 5,000 containers for storage and transport of used oil, educate residents through twelve newsprint advertisements, two City Newsletter inserts, and over 14,000 direct mailings.

Grantee: City of Pasadena

Amount Awarded: \$88,120.00

Grantee Contact:

CalRecycle Grant manager: Janet Page

Project Summary: 6,200 reusable plastic used oil containers will be purchased for citizen's use, 60,000 four-panel public education brochures will be sent to all residents of Pasadena and will be available at appropriate businesses. 35 moving billboards will be mounted on trash trucks and two public service announcements will be produced for television and radio.

Grantee: City of Pico Rivera

Amount Awarded: \$39,732.00

Grantee Contact: Mr. Dennis Courtemarche

CalRecycle Grant manager: Darlene Falconer

Project Summary: Funding will cover the cost of 7,000 six-quart used oil containers for residents, disposal costs for one year, a bilingual pamphlet and a bilingual flyer with locations, hours, and other information about certified used oil collection centers.

Grantee: City of Redondo Beach

Amount Awarded: \$62,865.00

Grantee Contact: Mr. William Bollinger

CalRecycle Grant manager: Sally French

Project Summary: The Cities will use funds for the creation of a mini-facility at the existing recycling center, five 400 gallon used oil collection containers, and an educational campaign of brochures, billboard advertising, mobile signage, local newsprint advertisements, and container labels.

Grantee: City of Santa Clarita

Amount Awarded: \$77,374.00

Grantee Contact:

CalRecycle Grant manager: Janet Page

Project Summary: Grant funds will be used to implement a curbside collection program one day per month. A collection truck with a flatbed and jockey box will be purchased to be used for the used oil curbside collection program, four 55-gallon drums will be purchased, and a contracted waste hauler/collector will be hired.

Grantee: City of South Gate

Amount Awarded: \$28,000.00

Grantee Contact: Mr. Ron George

CalRecycle Grant manager: Sally French

Project Summary: The City's curbside program (operated by Western Waste Industries) would direct grant funds towards increasing public awareness. Direct mail advertising to residents, sellers of motor oil, and auto-repair shops would require funding, as would six newsprint advertisements, local cable television spots, transit displays, and a graphic art consultant.

Grantee: City of Temple City

Amount Awarded: \$10,126.00

Grantee Contact: Mr. Hugh Riley

CalRecycle Grant manager: Janet Page

Project Summary: Approximately 50% of grant monies will be used for production and distribution of point-of-purchase displays, flyers, and posters designed to raise public awareness of the program. Almost 20% of grant monies will be expended towards used oil collection containers for citizens. The remainder of funding will be needed to administer the program.

Grantee: City of West Hollywood

Amount Awarded: \$30,561.00

Grantee Contact: Mr. Ray Reynolds

CalRecycle Grant manager: Debra Kustic

Project Summary: Will purchase Halogen detectors, develop and distribute a public education brochure, place three local newspaper advertisements, and promote certified centers on local cable television for ten of twelve months. Will establish a contingency fund for underwriting disposal costs of possible contaminated loads of used oil.

Grantee: City of Westlake Village

Amount Awarded: \$2,416.65

Grantee Contact: Mr. Dave Polis

CalRecycle Grant manager: Sally French

Project Summary: A brochure, news releases, point-of-purchase display, and flyers will be part of the city's public awareness campaign while on-site technical assistance will be made available for the local certified center.

Total Awarded for County:\$3,617,852.84

Madera County

Grantee: Madera County

Amount Awarded: \$63,336.00

Grantee Contact: Mr. David McGleason

CalRecycle Grant manager: Pat McDermott

Project Summary: Will purchase three storage facilities for used oil--one each for North Fork, Eastern Madera, and Fairmead--as well as the required safety equipment, signage, and staffing. 25,000 bilingual flyers, brochures, and a poster contest will be part of a public awareness campaign.

Total Awarded for County:\$63,336.00

Marin County

Grantee: Marin County

Amount Awarded: \$158,952.00

Grantee Contact:

CalRecycle Grant manager: Darlene Falconer

Project Summary: Grant funds will help defray the costs of installing and operating collection sites at a marina in San Rafael and the County Airport. A convault tank, transport and disposal of collected oil, an extensive Spanish community awareness campaign, movie theater and newspaper advertising, and regional bus placards will require grant monies.

Total Awarded for County:\$158,952.00

Mendocino County

Grantee: Mendocino Solid Waste Management Authority

Amount Awarded: \$54,895.50

Grantee Contact: Mr. Paul Cayler

CalRecycle Grant manager: Sally French

Project Summary: The Authority in conjunction with Mendocino County, Fort Bragg, Ukiah, and Willits will use grants funds for newspaper and radio advertising, preparation and placement of cable television advertisements, and bulletin board notices in high-traffic areas as part of the public awarenss campaign for used oil collection. Three used oil collection tanks will also be purchased for siting in the unincorporated part of the county.

Total Awarded for County:\$54,895.50

Merced County

Grantee: Merced County

Amount Awarded: \$127,676.49

Grantee Contact: Mr. William Peeler

CalRecycle Grant manager: Darlene Falconer

Project Summary: Grant funds will underwrite a project to construct a certified used oil collection center (construction funding will be matched privately) at an existing landfill/HHW collection site. An office and storage space, as well as collection containers, news advertisements, two halogen detectors, a collection vehicle, and a computer will be funded with this grant.

Total Awarded for County:\$127,676.49

Monterey County

Grantee: Monterey County

Amount Awarded: \$119,035.00

Grantee Contact: Dr. Robert J. Melton, M.D., M.P.H.

CalRecycle Grant manager: Debra Kustic

Project Summary: This program will target cities and areas where used oil dumping occurs and solicit gas stations/auto parts stores to operate a collection program. Grant monies will offset first-time costs for those businesses willing to participate. Used oil containers for the public, storm-drain stenciling, promotional materials, and brochures will be part of a public education campaign.

Total Awarded for County:\$119,035.00

Napa County

Grantee: City of Napa

Amount Awarded: \$43,296.00

Grantee Contact: Mr. Jack LaRoche

CalRecycle Grant manager: Darlene Falconer

Project Summary: Napa will use funding to open and operate three new collection centers. Three new containment tanks, the installation of three concrete pads, and hiring supervisors at the facilities will require grant funds. A public education campaign will consist of four newsprint advertisements, two billing inserts, and a display advertisement.

Total Awarded for County:\$43,296.00

Orange County

Grantee: City of Costa Mesa

Amount Awarded: \$66,660.00

Grantee Contact:

CalRecycle Grant manager: Nora Keenan

Project Summary: Grant funding will assist in opening a collection center and fund the publicity needed to increase public awareness of the center's hours and services. News advertisements, utility bill inserts, 10,000 brochures, and funnels are part of the public awareness campaign. A collection tank purchase and a contingency fund will also be funded.

Grantee: City of Garden Grove

Amount Awarded: \$98,802.00

Grantee Contact:

CalRecycle Grant manager: Debra Kustic

Project Summary: Proposal includes identification and facilitation of potential certified centers. Signage and media campaigns have been designated for approximately 50% of funding. The public education campaign will consist of television and radio advertising, video production, and purchasing of promotional items.

Grantee: City of Orange

Amount Awarded: \$76,758.00

Grantee Contact:

CalRecycle Grant manager: Debra Kustic

Project Summary: The City of Orange has contracted help to certify centers, obtain permits, and train facility operators. A public education campaign including signage, video tape production, and local news media advertising will be undertaken.

Grantee: City of Santa Ana

Amount Awarded: \$203,544.00

Grantee Contact:

CalRecycle Grant manager: Debra Kustic

Project Summary: Will produce, design, and install signage and other media advertisements as part of a public awareness campaign on the city's behalf. Will also certify potential collection centers, obtain necessary permits, and train facility operators.

Total Awarded for County:\$445,764.00

Riverside County

Grantee: City of Hemet

Amount Awarded: \$34,386.00

Grantee Contact: Mr. Robert Farni

CalRecycle Grant manager: Sally French

Project Summary: Funds have been earmarked for establishing a permanent used oil collection site and hiring a collection site manager. Safety supplies and uniforms will be purchased for site workers. As part of its public awareness campaign, newspaper advertisements will be placed and mailers will be developed and distributed.

Grantee: City of Riverside

Amount Awarded: \$159,852.00

Grantee Contact: Mr. Thomas J Boyd

CalRecycle Grant manager: Janet Page

Project Summary: An educational brochure informing citizens of certified sites and related used oil information, 55,000 magnetized promotional items, expansion of an already existing mobile collection program from bi-annual to seven permanent sites via contracted environmental services, and 9,000 reusable oil containers will be funded.

Grantee: Coachella Valley Association of Governments

Amount Awarded: \$137,286.00

Grantee Contact: Ms. Patricia A. Larson

CalRecycle Grant manager: Debra Kustic

Project Summary: The Coachella Valley Association, in cooperation with The AB 939 Technical Working Group, will conduct a public education campaign using bilingual brochures, 34 newsprint advertisements per week for 40 weeks, television advertising, and 60,000 bilingual direct mailings. The Working Group consists of representatives of cities within the Coachella Valley.

Grantee: Riverside County

Amount Awarded: \$249,018.00

Grantee Contact: Mr. Robert A. Nelson

CalRecycle Grant manager: Debra Kustic

Project Summary: Grant funding will be expended for a public awareness campaign of regular television advertisements, a recycling hotline, 10,000 brochures, and a storm drain stenciling program. Used oil storage tanks and their installation, staffing and consultant expenses, and transportation/disposal of collected used oil will also receive grant monies.

Grantee: Western Riverside Council of Governments

Amount Awarded: \$226,446.00

Grantee Contact: Mr. Richard Bishop

CalRecycle Grant manager: Carol Mortensen

Project Summary: The Council will use funds for a public awareness campaign aimed at increasing the amount of used oil being recycled. City newsletters, direct mail inserts, 400 point-of-sale posters, 85,000 brochures, and newspaper advertisements are all part of this campaign. Will also conduct a survey of existing opportunities and constraints in used oil collection.

Total Awarded for County: \$806,988.00

Sacramento County

Grantee: City of Sacramento

Amount Awarded: \$93,480.00

Grantee Contact: Mr. William H. Edgar

CalRecycle Grant manager: Pat McDermott

Project Summary: Grant monies will support the public awareness efforts of the city which include point of purchase posters, 30,000 used oil brochures, a recruitment luncheon for potential certified centers hosted by an elected official, utility bill inserts, and canvassing of neighborhoods near collection centers. Ten used oil storage tanks will also be purchased.

Grantee: Sacramento County

Amount Awarded: \$264,848.00

Grantee Contact:

CalRecycle Grant manager: Darlene Falconer

Project Summary: Grant funding will be used to produce 120 transit signs that will be attached to the sides of recycling and refuse trucks, advertisements on the radio for one month, 5,000 stackable recycling bins, and to defray personnel costs for collection at residential curbsides.

Total Awarded for County:\$358,328.00

San Bernardino County

Grantee: City of Chino

Amount Awarded: \$40,458.00

Grantee Contact: Mr. Glen Rojas

CalRecycle Grant manager: Nora Keenan

Project Summary: Funding will be used to expand existing facilities and operate public education and awareness activities. 1,250 reusable containers, a four-page Waste Guide, storm drain stenciling, utility bill inserts, point-of-purchase advertising, and a one-page advertisement in the Community Newsletter are all part of an effort to increase public awareness.

Grantee: City of Rancho Cucamonga

Amount Awarded: \$74,316.00

Grantee Contact: Mr. Jack Lam

CalRecycle Grant manager: Pat McDermott

Project Summary: A 20' x 6' x 8' materials storage unit for used oil collection tanks, sixteen-quart reusable oil collection containers, and a public awareness campaign with educational flyers, television and radio public service announcements, and school presentations.

Grantee: City of Rialto

Amount Awarded: \$52,074.00

Grantee Contact: Mr. Joseph Guzzetta

CalRecycle Grant manager: Nora Keenan

Project Summary: Will purchase an oil storage tank with pumping capabilities. Will purchase approximately 1000 used oil containers for citizens. Will expend the majority of grant funds towards used oil program advertising, a portable used oil educational exhibit, and promotional events.

Grantee: San Bernardino County

Amount Awarded: \$122,798.58

Grantee Contact: Mr. John Glaub

CalRecycle Grant manager: Pat McDermott

Project Summary: With grant funds the County will defray transportation and disposal costs of used oil collection, will purchase six 500-gallon tanks and one 1000-gallon tank for area collection centers. Plastic container distribution, news advertisements, flyers, and souvenir-type giveaways will be part of the public education campaign.

Total Awarded for County:\$289,646.58

San Diego County

Grantee: City of Poway

Amount Awarded: \$30,591.00

Grantee Contact: Mr. Kevin Haupt

CalRecycle Grant manager: Janet Page

Project Summary: Poway will purchase 1,860 reusable containers for residents, four collection tanks, and three oil filter crushers. Public awareness will be raised through brochures, quarterly newspaper advertisements, and 15,000 flyers.

Grantee: City of San Diego

Amount Awarded: \$773,256.00

Grantee Contact: Mr. Steven Fontana

CalRecycle Grant manager: Debra Kustic

Project Summary: The City will use grant funds to underwrite the costs of collecting used oil and used oil filters at the City's twelve one-day collection events. Funding will purchase 300,000 used oil disposal guides, stickers for 23,000 reusable collection containers, and 8,000 redeemable oil purchase coupons.

Grantee: San Diego County

Amount Awarded: \$281,622.00

Grantee Contact:

CalRecycle Grant manager: Debra Kustic

Project Summary: Grant funding will be used for operational costs of an existing certified center or construction and equipment for building a new certified center in `rural, low density unincorporated areas.` Public awareness will be raised by media advertising and publication of 100,000 brochures.

Total Awarded for County:\$1,085,469.00

San Francisco County

Grantee: City of San Francisco

Amount Awarded: \$257,983.29

Grantee Contact: Rudolf Nothenberg

CalRecycle Grant manager: Pat McDermott

Project Summary: Will solicit for five more collection centers and would like to expand its public awareness efforts by including materials in Chinese, purchase billboards and bus signs, over 600 Do-It-Yourself oil change kits, and advertising for certified centers.

Total Awarded for County:\$257,983.29

San Joaquin County

Grantee: City of Manteca

Amount Awarded: \$28,670.00

Grantee Contact: Ms. Karen McLaughlin

CalRecycle Grant manager: Nora Keenan

Project Summary: Will print and mail 12,000 three-fold flyers to citizens, construct a ground water flow demonstration display for special events and school presentations, and purchase 2,400 reusable containers. Equipment purchases will include containment pallets, a drain caddy, filter and pump system, and emergency oil spill containment kits.

Grantee: San Joaquin County

Amount Awarded: \$149,280.00

Grantee Contact:

CalRecycle Grant manager: Nora Keenan

Project Summary: Four drop-off centers need filter crushers, two dual-walled oil tanks, and supplies for a HHW trailer. Billboard advertisements, radio and television advertisements, a hotline, and direct mailings will require grant monies. Staff training at collection centers will also use funding.

Total Awarded for County:\$177,950.00

San Luis Obispo County

Grantee: City of Arroyo Grande

Amount Awarded: \$9,933.00

Grantee Contact:

CalRecycle Grant manager: Pat McDermott

Project Summary: The City has contracted services for used oil collection and public education efforts. Some grant funds will be used to publish and distribute 8,000 `curbside communicator`s` on a quarterly basis while the remainder of funding will purchase 960 containment buckets for citizens.

Grantee: City of Atascadero

Amount Awarded: \$15,906.00

Grantee Contact: Mr. Wade McKinney

CalRecycle Grant manager: Darlene Falconer

Project Summary: Funding is needed to acquire a 450-gallon storage tank for placement at the Wil-Mar Disposal yard. Newspaper advertisements twice weekly for one month, 90 info-mercials over local radio, and billing inserts will be part of public education.

Grantee: San Luis Obispo County

Amount Awarded: \$86,542.00

Grantee Contact:

CalRecycle Grant manager: Janet Page

Project Summary: An existing facility will be upgraded through the purchase of a fire-wall, a concrete foundation, aluminum canopy, an oil transfer pump, and 1000-gallon collection tanks. Increased public awareness by printing and distribution of brochures, as well as displays and media advertisements will be funded.

Total Awarded for County:\$112,381.00

San Mateo County

Grantee: San Mateo County

Amount Awarded: \$449,278.50

Grantee Contact: Mr. Dean Peterson

CalRecycle Grant manager: Debra Kustic

Project Summary: Pick-up and disposal of used oil, twenty-five 250-gallon collection tanks, staff underwriting, and truck retrofitting will require grant funding. A public awareness effort with a toll-free hotline, 15,000 flyers, 50,000 used oil stickers, a full-page newspaper advertisement, and 400 bus posters will require funding.

Total Awarded for County:\$449,278.50

Santa Barbara County

Grantee: City of Guadalupe

Amount Awarded: \$3,910.50

Grantee Contact: Ms. Carolyn Galloway-Cooper

CalRecycle Grant manager: Pat McDermott

Project Summary: The majority of funding will be used to publish the `Curbside Communicator` which is a quarterly publication distributed to residents and to purchase and distribute 1,000 containment buckets.

Grantee: City of Santa Maria

Amount Awarded: \$44,022.00

Grantee Contact: Mr. Paul Karp

CalRecycle Grant manager: Pat McDermott

Project Summary: The City will undertake a public education campaign by contracting an education specialist for presentations to children in school. Also, a roof structure will be built over the existing certified center.

Grantee: Santa Barbara County

Amount Awarded: \$110,814.00

Grantee Contact:

CalRecycle Grant manager: Darlene Falconer

Project Summary: The County will purchase two collection tanks with steel steps and employ two tank operators at its collection sites. Promotion of these two collection sites will be through quarterly Public Service Announcements on a number of local television and radio stations, quarterly advertisements in eight newspapers, and 5,000 brochures in English and Spanish.

Total Awarded for County:\$158,746.50

Santa Clara County

Grantee: City of San Jose

Amount Awarded: \$542,519.81

Grantee Contact:

CalRecycle Grant manager: Pat McDermott

Project Summary: The current curbside collection program will be partially funded, development of three 30 second radio advertisements and one television advertisement, and contractor and consultant expenses will also receive grant funds

Grantee: City of Sunnyvale

Amount Awarded: \$80,586.00

Grantee Contact: Mr. Tom Lewcock

CalRecycle Grant manager: Darlene Falconer

Project Summary: About 60% of funding will be used for a public awareness campaign consisting of two direct mailings, utility bill stuffers, point-of-purchase displays, advertisement billboards, public awareness videos, and door hangers. The remainder of grant funds will be used to support collection services by the City's contractor, Specialty Waste and Recycling.

Grantee: Santa Clara County

Amount Awarded: \$408,979.00

Grantee Contact: Mr. Lee Esquibel

CalRecycle Grant manager: Caroll Mortensen

Project Summary: Grant funds will be used to purchase two oil tanks, reuse storage bins, security fencing, and concrete slabs for a used oil collection facility. Will establish a used oil drop-off service, hire and train employees to staff the collection center, and develop a public education component to promote the recycling of used oil.

Total Awarded for County:\$1,032,084.81

Santa Cruz County

Grantee: Santa Cruz County

Amount Awarded: \$156,387.00

Grantee Contact: Mr. John Presleigh

CalRecycle Grant manager: Pat McDermott

Project Summary: Funding will cover the purchase of 12,500 used oil containers, transportation and disposal costs for collected used oil, and a public education campaign consisting of point-of-sale advertising, ten community outreach presentations, and more.

Total Awarded for County:\$156,387.00

Shasta County

Grantee: Shasta County

Amount Awarded: \$50,135.00

Grantee Contact: Mr. Russ Mull

CalRecycle Grant manager: Darlene Falconer

Project Summary: Semi-annual advertising, three 30-second public service announcements, flyers, and 200 t-shirts are part of a public education campaign. Personnel expenses and transportation/disposal costs make up the remainder of costs that will be covered by grant funding.

Total Awarded for County:\$50,135.00

Siskiyou County

Grantee: Siskiyou County

Amount Awarded: \$29,822.10

Grantee Contact: Mr. D. A. Gravenkamp

CalRecycle Grant manager: Darlene Falconer

Project Summary: Will upgrade collection sites with two 550 gallon drums, four used oil `sniffers`, and four Chlor-D-Tect kits. Will add two certified centers to the region as well as organize a public education campaign with 6,500 brochures and monthly newsprint advertising for nine months.

Total Awarded for County:\$29,822.10

Solano County

Grantee: City of Fairfield

Amount Awarded: \$56,694.00

Grantee Contact:

CalRecycle Grant manager: Darlene Falconer

Project Summary: Fairfield will increase one-time events to seven annually. Grant funding will be used to contract services for collection and transportation of used oil at these events. Utility bill inserts, 5,000 brochures, quarterly newsprint advertisements, and a 2` x 8` banner will raise citizen awareness.

Grantee: City of Vallejo

Amount Awarded: \$76,420.00

Grantee Contact: Mr. David R. Martinez

CalRecycle Grant manager: Janet Page

Project Summary: Vallejo intends to purchase a 1000 gallon convault tank, identify and solicit for certification all potential certified centers as well as increase public awareness with 12,000 bi-annual doorhangers, 28,000 brochures, a kiosk display, 200 used oil posters, and quarter-page monthly newspaper advertisements.

Total Awarded for County:\$133,114.00

Sonoma County

Grantee: Sonoma County Waste Management Agency

Amount Awarded: \$274,705.92

Grantee Contact: Ms. Mollie Mangerich

CalRecycle Grant manager: Pat McDermott

Project Summary: Five used oil collection tanks, six containment berms at existing facilities, installation of six roof enclosures, and three industrial oil filter crushers will receive funding. A multi-media public awareness campaign will complement a 900 hour, stormdrain stenciling project.

Total Awarded for County:\$274,705.92

Stanislaus County

Grantee: City of Modesto

Amount Awarded: \$116,854.00

Grantee Contact: Mr. Jack Crist

CalRecycle Grant manager: Darlene Falconer

Project Summary: Nearly half of the block grant monies will be used to present a complete curriculum on used oil recycling to about 40,000 students in local K-12 schools. A small portion of funding will be used to underwrite staff support for the existing curbside collection program. Almost 40- of grant funds will be used to develop and distribute 140,000 used oil brochures.

Grantee: Stanislaus County

Amount Awarded: \$145,879.80

Grantee Contact: Mr. Kevin M. Williams

CalRecycle Grant manager: Pat McDermott

Project Summary: Education of residents through the creation of a brochure, two oil recycling hotlines, and a program for school-age children which will educate families through their children about the importance of used oil collection. Grant funds will also be used for technical assistance by staff to create the brochure as well as prepare school presentations.

Total Awarded for County:\$262,733.80

Sutter County

Grantee: Bi-County Integrated Waste Management Authority

Amount Awarded: \$88,275.00

Grantee Contact: Mr. Keith Martin

CalRecycle Grant manager: Darlene Falconer

Project Summary: The two counties will purchase a 600 gallon low-profile used oil tank to replace two existing tanks and will contract a public relations/marketing consultant to develop a public education campaign. Approximately 30,000 customers will receive materials through can hangers and utility bill inserts. Media promotions will be in Spanish, English, and Punjabi.

Total Awarded for County:\$88,275.00

Tuolumne County

Grantee: Tuolumne County

Amount Awarded: \$31,779.00

Grantee Contact: Gregory Jacob

CalRecycle Grant manager: Darlene Falconer

Project Summary: The County will use grant funding to implement an incentive program whereby businesses will have a \$2,000 in-kind incentive to become certified used oil collection centers. A canopy will be erected over the collection site at the Jamestown Landfill and direct mailings, brochures and flyers are part of the public education element.

Total Awarded for County:\$31,779.00

Ventura County

Grantee: City of Camarillo

Amount Awarded: \$17,870.00

Grantee Contact: Mr. Jerry Blankston

CalRecycle Grant manager: Pat McDermott

Project Summary: An oil filter crusher, storm drain stencils, and development of 30,000 used oil collection program brochures will be funded. The City's local recycling newsletter--The Conservation Quarterly--will be made possible through the use of block grant funds.

Grantee: City of Moorpark

Amount Awarded: \$17,622.00

Grantee Contact: Mr. Steven Kueny

CalRecycle Grant manager: Pat McDermott

Project Summary: Funding will provide the local Easy Oil with the necessary equipment to collect large quantities of used oil from the public, transportation/disposal costs and a contingency fund for possible contaminated used oil disposal. The public education campaign will consist of six advertisements, two brochures, and a City-wide mailer.

Grantee: City of Thousand Oaks

Amount Awarded: \$72,072.00

Grantee Contact: Mr. Mark D. Watkins

CalRecycle Grant manager: Pat McDermott

Project Summary: Public awareness efforts will include bi-monthly radio Public Service Announcement's, city-wide postcard mailings, utility bill inserts, and informational signs. Hauling expenses and personnel costs will be defrayed. An oil filter crusher and expansion of an existing monthly collection program will require the remainder of funding.

Grantee: Ventura County

Amount Awarded: \$65,571.00

Grantee Contact: Mr. Reddy Pakala

CalRecycle Grant manager: Pat McDermott

Project Summary: Contracting and personnel services will receive a portion of grant funds. The majority of funding will be used to purchase needed equipment such as a filter crusher, containers for citizens, CFC `sniffers`, secondary containment equipment and signage.

Total Awarded for County:\$173,135.00

Yolo County

Grantee: City of Davis

Amount Awarded: \$33,066.00

Grantee Contact: Mr. David Pelz

CalRecycle Grant manager: Debra Kustic

Project Summary: The City will purchase and install a new tank with appropriate siting, venting, etc., at the Davis Waste Removal recycling center yard. 1,000 used oil collection containers, over 20,000 flyers for citywide distribution, and the production of a 10-15 minute used oil video will be part of the public outreach effort.

Grantee: City of West Sacramento

Amount Awarded: \$20,097.00

Grantee Contact: Ms. Leigh P. Keicher

CalRecycle Grant manager: Pat McDermott

Project Summary: Will purchase 3,000 used oil containers for public distribution and will hire a facility operator to begin collection of used oil in an existing curbside program.

Total Awarded for County: \$53,163.00

Grant Count: 96

Grand Total for Selected Counties: \$12,061,364.38
